European Co-Production: Legal and Financial Aspects

November 20 - 24, 2019 in Madrid (incl. travel days)

Learn what it takes to co-produce successfully! Get exclusive insights into the making of European co-productions as well as legal and finance in production and distribution. Benefit from the experience of acclaimed European producers and leading experts in the world of filmmaking and learn from the masterminds of an ever-changing world of international sales and distribution. The training offers relevant information and provides hands-on tips to successfully handle the complexities of European co-productions.

“This workshop provides a perfect platform to refresh and update your know-how on financing, legal and practical aspects of the European co-production business. But most of all it caters for a perfect environment to meet existing and future partners on exciting and inspiring projects.”

Robin Kerremans, CAVIAR, Belgium

“I highly recommend this workshop for producers from developing countries, as it provides insights into the European approach to filmmaking and opens up new doors!”

Elene Margvelashvili, PARACHUTE FILM, Georgia / UK
