Please contact Marijana Harder (PR, EPI, +49 331-721 2884, [mh@epi.media](mailto:mh@epi.media)) for further information and registration.

### **About ESSENTIAL LEGAL FRAMEWORK – Clearing Rights for Film and TV:**

Rights clearance is becoming increasingly important, both nationally and internationally. Scripts based on real stories, a Warhol poster in the background of a scene, and a protagonist humming a Robbie Williams song – not all rights contained in a script or a film are that obvious. Only a detailed analysis can avoid cost-intensive pitfalls.

Workshop results:

- Practical knowledge to identify and clear rights fast & effectively
- Teaching will combine theoretical and practical work on the case
- Including best practices and strategies
